Britain's WHO envoy has said that world poverty will double by 2021 as a result of lockdowns.

The COVID Vaccine IS “War on Free Range Humanity”

Bill Gates [whom was/is heavily invested in the Wuhan Lab where-of the COVID contagion originated has made it no secret that he] **wants to reduce the world population** [in accordance to the **Georgia Guidestones—*infer***]. In 2019, at the **ID2020 Conference**, Gates introduced his vaccine containing the **electronic nanochip “marker” intended to control 7+ billion humans**. ID2020 is intended to provide *a unique digital identity for all humans* by 2030 that closely *interlocks digital identity with access to commerce and RAPID® testing*—a loose acronym for “Input, Recommend, Agree, Decide and Perform” system assigning us scum to our place in the dystopian future of INGSOC... whence *programmed novus homo* will exist only to serve an almost alien “master race,” oppressive and cruel in nature, whereof **“free will” is outlawed by means of mandatory medication that controls human emotion**, and the electronically-enslaved masses will be controlled with drugs and religion...

This is the future of humanity.

A hobnail boot stepping upon the face of innocence forever

At present, Fluorescent Thiol-organosilica particles and liquid crystals camouflaged in vaccine injections are able to:

- Influence the behaviour of the “chip-bearer” viz. to manipulate and control crowds without concern for political ethics;
- Eliminate categories of people (reduce the world population);
- Ensure vaccine compliance;
- Permanently locate the bearer (exit civil liberties);
- Integrate 7 billion persons into “the cloud” and operate with an all-digital system that is the equivalent of a credit on a company store.

These Post-UN Agenda 2030 morgellans-like AI nanochips were invented by the secretive **JASONS**—those war criminals (*i.e.*, **Angel of Death Mengele** and **Shirō Ishi of Unit 731**) recruited by the CIA, whose human-experimentation research laid the groundwork for **DARPA** and **CERN**, *et cetera*.

The **upcoming vaccines** are intended to **genetically modify humanity** for all future generations—{and our human genealogical family tree hath only a mere 150 generations since the conception of history}—in effect **deleting humanity altogether** as humans become *transhuman-robots, cyborgs, and androids!*

Do you really not remember Thalidomide!?

Governments are giving the pharmaceutical companies full immunity from injury lawsuits: Producers of “COVID” vaccines are not following normal trial procedures, which are being rushed in case the pandemic hoax dies down too soon to convince people to take the **Mark of the Beast**—excuse me—I mean “the vaccine.”

Increasing numbers of people are saying *that* they will refuse the COVID-19 vaccine, with about half the US and UK populations saying so. And yet certain **governments are planning to force vaccinations on populations using their armed forces** whilst [yet] others are planning to ban “*refuseniks*” from work, school or travel [and, no doubt, incarceration and deprogramming viz. “do-or-die” mind-control programming].

And, really, how competent is **Castro’s Little Potato** up on his jihadist-high horse upon the Hill (in Ottawa)!?

Western values are being tested to the breaking point—your culture will be eliminated and replaced with Maoist technocratic slogans as: **“We’re All in This Together,” “Social Distancing,” and “Covid-Related Death Statistics.”**

Again! This vaccine is **“human herd health management” intended to genetically modify humanity for all future generations.**

Humanity is in Extreme and Immanent Danger

In 2017, the **World Economic Forum (WEF)** told us about the world they want to see by 2030:

- ((They))) are engineering food shortages in numerous different ways.
- ((They))) are building concentration camps for dissenters—*supra*.
- ((They))) want to impose a forced vaccine full of nanochips for immunity passports and crypto-currency, and nanoparticles so that they can track, surveil and control us... especial our minds viz. our freedom of/for “will to power” and ability for independent and creative thought.

Thus, the anti-human perpetrators of the **COVID scam** are still imposing **lockdowns and destroying lives, businesses and families**. You’ll own nothing—as if you really do now, eh! You’ll be renting everything! because everything in the **“one-world ghetto favelaslum”** is under (((their))) totalitarian, technocratic control and there will be no “nation states” nor sovereign citizenship!

“Some pigs are more equal than others!”

We cannot give (((these Moloch-worshipping Udugs))) what (((they))) want... as (((they))) demand all we have... all we will ever have! Luke 23.21

Our Enemy is “a two-headed maggot”: One head is *that* of the Ultra-Rich—an “*undead*” *nematode*... and its ass-end is a multi-headed candriuan-hydridae from the Third World Matthew 26.11

We must stop this **Luciferian Agenda** in its tracks, take power ourselves and arrest these evil perpetrators of the **end-times apocalypse**.

Conclusions

Governments are “bankrupt” corporations obeying orders from [the likes of] the **World Economic Forums** and **no longer pretending to serve their people** [as the identity of the citizen has been supplanted by the **Strawman possession viz. employee of the nation-corporation... most if-not-all of which are either bankrupt or soon shall be**]. These quisling puppets have the hands of our Nosferatun Masters shoved so far up their collective asses, putting words into (((their))) puppets mouths and pulling the strings which make them “clean-handed Pilates” dance to **impose (((their))) deceptive international Maritime Law [] acting in contravention of all international and national laws over the once-free world (over which we, the chattel sheople, no longer have sovereign legitimacy—as if we ever didst, eh!**

We are Witnesses to/of

The collapse of Common Law of Constitutional Nations

Governments, elected representatives and international institutions—such as the **European Union and European Parliament**, including the **United Nations**, and private clubs such as the **International Commission on Non-Ionizing Radiation Protection** and the **World Economic Forum**... are *all* complicit in this **“the greatest crime against humanity ever committed.”**

These are just a very, very few of the God-damned perpetrators of human genocide (according to the precepts of the Georgia Guidestones):

Klaus Schwab
Prince Charles
Bill and Melinda Gates
UN Secretary-General Antonio Guterres
WHO’s Tedros Adhanom Ghebreyesus and Michael Ryan
Prime Minister Jacinda Ardern of New Zealand
UK Prime Minister Boris Johnson
And UK Health Minister Matt Hancock
French President Emmanuel Macron
And Prime Minister Edouard Philippe
German Chancellor Angela Merkel
Austrian Chancellor Sebastian Kurz
Elon Musk
Mark Zuckerberg

The Associated Press and Reuters whores subservient to those **Inquisitional mainstream mass-media pimps** of the **Bank of International Settlements (BIS)**, the **International Monetary Fund (IMF)** and **World Bank International Bank for Reconstruction and Development (IBRD)**, and nefarious think-tanks such as **Chatham House Royal Institute of International Affairs**, the **Council on Foreign Relations** and the **Trilateral Commission**.

All those *cunty politicians* and *slut journalists* peddling the **“fake news” 21st-century newspeak** of which must be seized and brought to justice before its too late... in honour of those martyr “whistle-blowers” exposing the dark underbelly of the **serpentine Zio-Jesuit Vatican “shadow government”** constricting the “once-free world” in complicity with the “*illuminatist*” designs of the **bio-chemical/pharmaceutical war-mongers** in **DC, Brussels and Switzerland..**

This is the 100 seconds to midnight wake-up call for you pitiful monkey kings to shun (((these genocidal monsters)))... in hotels, in restaurants, in taxis, wherever you come across (((them))). Turn your back on (((them))) and show (((them))) the contempt (((they))) deserve for (((their))) psychopathic behaviour and genocidal intent.

We, the People call upon *the armies and the national police* to stand with your people against (((these vile conspirators))) who aim to expropriate you, too, and take your children, *too*, and genocide as many of “us all” as (((they))) find convenient.

REMEMBER: O y^e mercenaries... you too will be replaced by machines by the **Technocratic New World Order**.

NEVER FORGET: You, too, belong with us, the people, and we humbly ask you to stand with us in defending our humanity, our health, our families, our children, indigenous peoples [such as the Tsaday, the Yanomamö (and other Amazonian tribes), Australia’s Aborigines, Africa’s Bantu (and other primitive peoples), folks the likes of the Ainu, the Sami and the Inuit... just to name a few]... and all of the natural life on Earth that sustains us and protects us... despite (((their))) God-damned thermo-nuclear threat of the **Damoclean Sampson Option**.
